

Sheikh Abdulaziz Badran Palace

Riyadh-KSA
Residential

Year: 2019
Value: USD 3,000,000

Project Highlights

This palace is a complete mixture of artistic neo classical motifs, ornaments and metaphoric decorative details blended with modern creative solutions and bright cheerful colours.

The main concept was to invent a product that mix the classical and contemporary tastes together, that fulfil the eyes and enhance the living experience from within.
